CONTENTS

No. 1

PAGE

Studies on the Fixation of Phosphate by Hebbal Tank Soil—*V. Muddanna and C. Mallaiah* 1

Leptospirosis Among Sheep and Goats in Mysore State—A Serological Survey—*M. Rajasekhar and R. D. Nanjiah* .. 7

Serological Survey of Listeriosis in Domestic Animals in Mysore State by Antigen Fixation Test—*N. Sriranganathan and R. D. Nanjiah* 15

Studies on Free Living Larval Stages of *Bunostomum trigonocephalum*—*G. R. Rajasekariah and A. Venkataratnam* .. 24

Studies on the Histology of the Prostate in the Indian Buffalo (*Bos bubalis*)—*K. N. Chandra Mouly* 32

Studies on the Effect of Heavy Doses of Nitrogenous Fertilizer on the Soil and Rhizosphere Microflora of Rice—*V. S. Emmimath and G. Rangaswami* 39

Studies on the Nursery Practices in Ragi—*B. G. Rajashekara, K. N. Mallanna and K. Krishnamurthy* 59

Studies on the Translocation of Foliar Applied 2, 4-D with and without Sucrose Following Pretreatment with Acetone—*S. R. Viswanatha, S. Rama Rao and K. S. Krishna Sastry* 65

Adsorbed-Crystal Lattice Water Ratio of Clay as an Aid to Classify Soil Group—*B. Rabindra and D. John Durairaj* .. 71

Influence of Lime and Nitrogenous Fertilizers on Soil Biology—*R. S. Deshpande, D. S. Kulkarni, S. Viswanath and B. G. Suryanarayana Reddy* 77

Variability Studies in Dwarf Wheat—*G. P. Mishra* .. 82

Genetic Variation and Heritability of Quantitative Characters in Some Improved Varieties of Sesame—*A. R. Sawant* .. 88

Post-Harvest Changes during Low Temperature Storage of South Indian Mango (*Mangifera indica* L.) Varieties *Neelam* and *Romani*—*D. C. Srivastava, A. N. Verma, H. R. Mishra and R. K. Sharma* 96

Vitamin Requirements of Two Isolates of *Helminthosporium nodulosum* of Ragi—*R. K. Hegde and K. G. Ranganathaiah* .. 101

Research Notes

PAGE

Crossability Index in the Genus *Solanum* and Its Utility in Cytogenetic and Cytotaxonomic Studies—*N. Narasimha Rao and B. W. X. Ponnaiya* 105

Effects of Metasystox on Meiosis and Pollen Fertility in Durum Wheat—*A. Seetharam and S. R. Viswanatha* .. 109

Exploitation of Genetic Variability in AS 23 Cotton—*N. S. Parameswar* 112

Chemically Induced Variations in Annual *Chrysanthemum*—*K. M. D. Nayar, M. G. Rao and J. V. Goud* 116

A New Host of *Cnaphalocrocis medinalis* Guenee (Lepidoptera: Pyraustidae) in Mysore—*M. Vishakantaiah and S. Lingappa* 119

Prevention of Red Palm Weevil Entry into Coconut Palms Through Wounds—*V. A. Abraham* 121

Bacterial Pustule of Soybeans (*Glycine max* L. Merr.)—Varietal Resistance Under Field Conditions—*M. K. Khare, H. C. Sharma, S. N. Kulkarni and T. N. Chand* 123

Distribution of Exchangeable and Non-Exchangeable Potassium in Some Jabalpur Soils—*S. B. Dubey, T. A. Singh and Y. D. Tiwari* 127

A Note on the Preparation and Composition of *Sudumannu* (Burnt Soil)—*K. Balakrishna Rao, L. Suseela Devi and N. G. Perur* 129

Significance of Modified Cuboni Test in the Pregnancy Diagnosis of Elephants—*R. Narendranath and V. Ravivarma Hegde* .. 131

Abstracts of Thesis 134

Book Review: Farming Systems of the World—*B. V. Venkata Rao* 143

No. 2

Effect of Liming on the Availability of Plant Nutrients in Acidic Soils—*B. S. Solankey, D. P. Motiramani and G. P. Verma* 145

Studies on Mineralization of Urea in Some Soils of Mysore State—*R. Siddaramappa and T. Seshagiri Rao* 150

PAGE

Studies on Manganese-Induced Iron Chlorosis in Coffee (*Coffea arabica* L.). I. Effect on Visual Symptoms and Uptake of Iron and Manganese—*B. R. V. Iyengar and T. Seshagiri Rao* 159

Studies on Manganese-Induced Iron Chlorosis in Coffee (*Coffea arabica* L.). II. Effect on Chlorophyll Content and the Activities of Catalase and Peroxidase Enzymes—*B. R. V. Iyengar and T. Seshagiri Rao* 167

Manganese and Boron Status in Some *Bidi* Tobacco-Growing Soils of Nippani Tract—Mysore State—*G. N. Dandagi, A. S. Hadimani, P. S. Rao and N. G. Perur* 174

Studies on the Yield and Yield Components in Different Hybrids Composites and Local Variety of Maize (*Zea mays* L.)—*R. C. Pande, V. S. Rajput and R. C. Tiwari* .. 181

Differential Response of Ragi Varieties to Seed Hardening—*B. G. Rajashekara, M. G. Rajappa, S. Ramarao, K. S. Krishna Sastry and K. N. Mallanna* 187

Continuous Manuring of Wheat Through Different Sources of Nitrogen with and without Phosphate Under "Haveli" System of Cultivation—*B. P. Tiwari, J. P. Patel and C. R. Bisen* .. 193

Preliminary Studies on Coccidia of the Domestic Fowl in Mysore—*S. Abdul Rahman, K. S. Hegde and M. Ananth* .. 199

Influence of Groundnut Hay Meal on Egg Quality—*Y. Gnanoji Rao and S. V. S. Setty* 203

Research Notes

Leukosis Lesions in the Muscles of Chicken—*R. N. Sreenivas Gowda, T. Gopal, S. J. Seshadri and Syed Mohiyuddeen* 210

Occurrence of Two Parasites of Zoonotic Interest in Local Dogs—*C. A. Khuddus and N. S. Krishna Rao* 214

Day-Neutral Varieties of *Dolichos lab-lab* L.—*G. Shivashankar, I. Srirangasayi, C. Kempanna and S. R. Viswanatha* .. 216

Segregation Pattern in M_3 Generation of Rice (*Oryza sativa* L.) Originating After Single and Post-Irradiation Treatment with Diethyl Sulphate and Pre-Irradiation Treatment with Distilled Water—*S. Bose and M. Ghose* 219

Preliminary Studies on the Performance of American Groundnut Varieties—*K. Krishnamurthy, A. S. Prabhakar, T. N. Ashok Kumar and K. S. Ramdas* 223

PAGE

Influence of Heavy Nitrogenous Fertilizer Application on Certain Phytotoxins in Red Soil—*N. T. Lillaram and B. V. Venkata Rao* 226

Relationship of Cation Exchange Capacity of Root and the Shoot Weight in Corn—*N. G. Perur and K. Balakrishna Rao* .. 228

Effect of Aeration on Survival of *Rhizobium japonicum* in Peat Contained in Polythene Bag—*V. Iswaran* 230

Effect of Pre-Soaking in Water of Thompson-Seedless Grape Cuttings on Their Rooting—*G. S. Sulikeri, U. G. Nalawadi, N. C. Hulamani and S. D. Kololgi* 232

Preliminary Studies on the Performance of Barley Varieties in Mysore—*K. Krishnamurthy, D. Rangamannar, B. K. Lingegowda, M. Gopal Reddy, R. Ananthanarayana and Prithvi Raj* 234

Effect of Weedicides on Weeds and Establishment of Chilli (*Capsicum annuum* Linn.)—*K. Krishnamurthy* 237

Abstracts of Thesis 240

Book Review: Soil and Crop Productivity—*B. V. Venkata Rao* 242

No. 3

Manganese Status of Some Soils in Northern Districts of Mysore State—*P. S. Rao and A. S. Hadimani* 243

Screening of Commercial Varieties and Genetic Stocks of Wheat against Foot Rot Caused by *Sclerotium rolfsii* Sacc.—*H. R. Reddy, K. Fazalnoor and R. K. Hegde* 252

A Survey on the Effect of Agronomic Practices on the Yield of Hybrid Sorghum under Rainfed Conditions—*M. Raghumurthy, K. R. Kulkarni, M. N. Venkataramu and Shakuntala Raju* 257

Influence of Tractor and Tractor Drawn Implements on the Physical Properties of Soils—*N. G. Gurunandan, T. Satyanarayana, B. K. Srinivasa Murthy and R. F. Patil* 268

The Minimum Probable Rainfall in Mysore State during Crop-Growing Season—*B. V. Ramana Rao and E. V. Murali Mohana Rao* 272

The Conservation of Hybrid Sorghum Stover Nutrients as Silage—*S. K. Goni, S. H. Patil and M. D. Harapanahalli* .. 283

PAGE

Measurement of Source Credibility in Progressive and Non-Progressive Village—*M. K. Sethu Rao, C. M. Dudhani and R. Dwarakinath* 290

The Impact of Genotype-Environmental Interaction on the Determination of the Components of Variation and Other Genetic Parameters in *Eleusine coracana*—*C. Kempanna, R. Vijayamma and M. V. N. Setty* 295

Cost of Cultivation and Economics of Cultivation of Hybrid Jowar under Rainfed Conditions—*M. N. Venkataramu, K. R. Kulkarni and M. Raghumurthy* 302

Bionomics of the Grape Flea Beetle *Scelodonta strigicollis* (Motschulsky) (Coleoptera: Chrysomeidae)—*K. A. Kulkarni* .. 308

Study on the Comparative Inhibition of Germination of Different Varieties of Ragi Seeds by Various Sodium Salts—*K. Balakrishna Rao, L. Suseela Devi and N. G. Perur* .. 317

Laboratory Studies on the Influence of Increasing Levels of Different Nitrogen-Carrying Fertilisers on Some Physico-Chemical Properties of Red Soils of Bangalore—*B. V. Venkata Rao, K. Balakrishna Rao, M. S. Mithyantha, D. P. Vishwanath and K. M. Appaiah* 324

Research Notes

A Note on the Susceptibility of Some Wheat Varieties to Rice Weevil (*Sitophilus oryzae* Linn.)—*A. Puttarudrappa, G. Thimmaiah, J. V. Goud and T. S. Thontadarya* .. 330

Studies on the Black Rot of Crucifers Caused by *Xanthomonas campestris*—*L. Namasivayam and R. K. Hegde* .. 332

A New Method for Multiple Blood Sampling in Fish—*A. Sundara Bai* 334

Effect of Hormones on Root and Shoot Growth in Cotton—*B. S. Nadagoudar and M. S. Patil* 337

Inheritance of Stem Colour at Seedling Stage in an Intervarietal Cross of *Capsicum frutescens* L.—*A. F. Habib and S. W. Mensinkai* 340

PAGE

Effect of Growth Regulators on the Germination of Sapota (*Achras sapota* L.) Seeds—*A. A. Farooqui, U. G. Nalawadi and U. V. Sulladmath* 341

Red Soils of Mysore State Cation Exchange Capacity—*H. C. Parvathappa* 343

Root Growth in Relation to Pre-Treatment of Wheat Seeds with Harmones—*B. A. Yandagoudar and K. Krishnamurthy* .. 347

A Preliminary Studies on the Yield Potentials of Hamsa Ragi—*B. G. Rajashekara, M. G. Rajappa and K. N. Mallanna* .. 351

A Note on the Performance of High Yielding Varieties of Paddy in Shimoga District—*M. K. Munegowda and M. Mahadevappa* 354

A Comparison of Several Extractants for Assessing Non-Exchangeable Potassium in Some Jabalpur Soils—*S. B. Dubey and T. A. Singh* 356

Abstracts of Thesis 359

Book Review: Biophilosophy—*P. B. Deshpande* 362

No. 4

Diaphragmatic Hernia in Bovines—*S. J. Seshadri, G. N. Subba Sastry, Daniel Rajasekharan and Syed Mohyuddeen* .. 365

Histology and Histochemistry of Bovine Ovaries—*V. K. Sundaravadanan and V. Venkataswami* 371

Studies on the Varietal Reaction and Physiologic Specialization of *Sphacelotheca reiliana* (Kühn) Clinton, Head Smut of Sorghum—*G. N. Padaganur and H. C. Govindu* 377

The Influence of Glucose *p*-Aminosalicylic Acid and Carbon Tetrachloride on Pentothal Sodium Anaesthesia in Dogs—*D. K. Veeranarayana Gowda, B. Jagadish Kumar and S. N. Shetty* 383

Estimation of Soil Heterogeneity from Experimental Data for Some Field Crops in Mysore State—*M. K. Jagannath and R. Vijayamma* 393

A Study of Some Parasites from Panther Cub (*Felis pardus*, Linn.) with the Description of *Eimeria anekalensis* N. Sp.—*G. R. Rajasekarich, K. S. Hegde, R. N. Srinivasa Gowda, S. Abdul Rahman and H. Subbarao* 404

PAGE

Tender Coconut Water as a Plasma Volume Expander. II. Studies on Physiological Responses—*T. P. Suresh and V. Ravivarma Hegde* 410

Studies on the Green Muscardine Fungus Influence of Meteorological Factors and Inoculum Potential on the Infection of *Metarrhizium anisopliae* on *Oryctes rhinoceros* L.—*Elizabeth George and Chandy Kurian* 423

Studies on the Variability in Pearl Millet, Mysore State—*T. Madhava Rao, G. Srinivasulu and H. Jayaramaiah* .. 431

Yield of Bhokri Grapes in Relation to Disposition of Canes—*N. C. Hulmani, H. V. Pattanshetti and S. D. Kololgi* .. 440

The Scope of Utilising Paddy Fields as Fish Nurseries—*V. Muddanna, K. V. Rajagopal and H. N. Chandrasekhariah* .. 447

Cytotaxonomical Studies on the Genus *Basella*—*G. Tasneem Fathima, G. Boraiah and G. Shivashankar* 461

Effect of Foliar Sprays on the Leaf Anatomy of Brinjal (*Solanum melongena* L.)—*K. Shivashankar* 468

Research Notes

A Note on Effect of Chemical and Mechanical Weeding on the Quality of Pea (*Pisum sativum*)—*R. C. Gautham and R. K. Singh* 475

Inheritance of Photosensitivity in Mung Bean (*Phaseolus aureus* Roxb.)—*S. N. P. Verma* 477

Preliminary Studies on the Pattern of Tillering in Rice Varieties—*—K. Krishnamurthy* 481

Incidence of Brinjal Bud Borer, *Scrobipalpa blapsigona* Meyr. (Lepidoptera: Gelechiidae) in Madhya Pradesh—*R. K. Patel, A. R. Upadhyay and M. L. Verma* 486

Effect of the Fungicide, Thiram on *Sitophilus oryzae* L.—*A. N. Ragunathan, M. Ravindranath Gupta and S. K. Majumder* .. 487

Information Sources Consulted in the Adoption of Agricultural Technology—*V. Veerabhadriah and M. K. Sethu Rao* .. 490

PAGE

Influence of Storage Temperature of Peat on Nodulation and Growth of Pea (*Pisum sativum*)—*V. Iswaran* 493

Damping off and Root Rot of Sesamum and Cluster Beans Caused by *Thielavia terricola* (Gilman and Abbott) Emmons var. *minor* (Rayss and Borut) Booth—*B. P. Chakravarti, P. S. Shekhawat and T. B. Anilkumar* 495

Possibilities of Growing Mixed Crop of Wheat with Cotton—*—B. A. Yanda Gowder and S. V. Patil* 496

A Note on the Unusual Occurrence of the Beet Root Web-worm *Hymenia recurvalis* (Fabricius) (Lepidoptera Pyralidae) in Mysore—*M. Vishakantiah and D. Rajagopal* .. 500

Abstract of Thesis 502

Book Review: Man's Impact on Environment—*P. B. Deshpande* 507

AUTHOR AND SUBJECT INDEX—1971

Abdul Rahman, S., Hegde, K. S. and Ananth, M. — Preliminary studies on Coccidia of the domestic fowl, 199
